RESPONSE TO INTERVIEW SUMMARY

Sir:

In response to the Interview Summary dated July 21, 2008, please reconsider the above-identified patent application based on the following:

INTERVIEW SUMMARY

An interview was conducted between Examiner William L. Miller and the Undersigned on July 17, 2008, discussing language outlined by the Undersigned to overcome all 35 U.S.C. 112, second paragraph rejections. Examiner William L. Miller agreed to accept the language as outlined and that this would be enough to overcome all 35 U.S.C. 112, second paragraph rejections. Also, the Examiner requested and the Undersigned agreed to correct informal errors due to lack of antecedent basis in claims 11, 14, 16 and 26. All proposed amendments that were discussed were submitted in the Response to Office Action dated July 17, 2008. No prior art was discussed.

Applicant thanks the Examiner for his time and effort.

Respectfully submitted,

DAVIDSON, DAVIDSON & KAPPEL, LLC
